A subpoema has been served on Secretary Harry F. Bullock of the Brookiyn Rapid Transit Company directing him to bring before the Thompson Committee the minutes of the directors' meetings of the B. R. T. sinte July 1, 1967, when the project of extending the subway and elevated lines was entered into. Col. Timothy M. Williams has already made a public statement that the directors gave him a present of \$100,000 for his services in the negotiations, but it is believed that an inspection of the books of the B. R. T. will reveal quite as lavish a throwing away of money as there was in the treasury of the Interborough. In bringing from a tangle of figures the financial history of the interborough was practically forced by Thomas F.
